How long will you be in the school?

I will be in your school until the end of the term.

What will the sessions be like?

It is important that sessions are inclusive and cater for all. When delivering my sessions, the main objectives are for the children to have fun in a challenging environment with an amount of freedom to allow for self-discovery. I try to use as many different games as possible so that each week it is new and interesting for all involved.

Favourite games to play during sessions?

There are so many different and fun games I love to play during my sessions. I think it is always important to see what the pupils really enjoy playing and if I can try and use their ideas and games as much as possible.

Favourite PE when you were at school?

I loved all sports when I was in school but my favourite one to play was football.

Favourite subject in school (apart from PE)?

I enjoyed English whenever I was in school. I had a passion for reading and I still do.

Favourite football team? I am an Arsenal FC fan.

Do you have any hobbies?

I enjoy playing football, exercising and reading books.
